

Topcon Online Roadshow Machine Control Solution & 3D Design data Festival

Date: 18, 21, 26, 27 October 2021.

Live DEMO
(21, 26, 27 October)

**Boost your productivity !!
Improve earthworks & paving workflow !!**

**One hour session
Up to 1000 seats
are available**

You will see and experience the most productive workflow from Topcon when it comes to earthworks & paving. It's a game-changer against your current workflow that you are applying to your projects right now. Robotic Total Station and GNSS receivers navigates you the locations based on your design data. And your heavy machineries are navigated and automatically moved based on your design data. Let us show you how beneficial these solutions are and how it contributes to boost your productivity and improve your workflow. We have LIVE demonstration 21st with Motor Grader, 26th with Excavator, 27th with 3D Design data. You can enjoy watching like festivals and learn the new technologies !! Register quickly as the seats are limited. See you at the roadshow !!

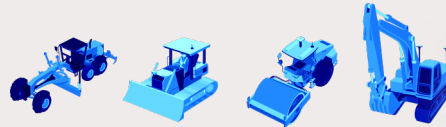

Sessions

Topcon Online Roadshow / Machine Control Solution & 3D Design data Festival

**Day
1**

18 Oct 2021 : What is Machine Control, Indicator system & 3D Design data ?

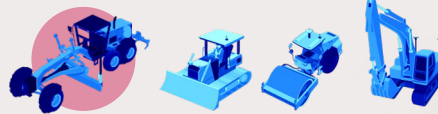

- 12:00~13:00 India Standard Time
- 13:30~14:30 Thailand Standard time
- 14:30~15:30 Malaysia Standard Time
- 15:30~16:30 South Korean Standard Time

**Day
2**

21 Oct 2021 : Festival on Motor Grader with Machine Control "LIVE DEMO"
For Road, Highway, Airport application and cloud solution

- 12:00~13:00 India Standard Time
- 13:30~14:30 Thailand Standard time
- 14:30~15:30 Malaysia Standard Time
- 15:30~16:30 South Korean Standard Time

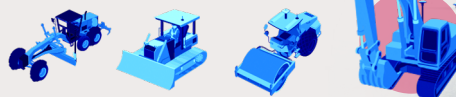

**LIVE DEMO
with Motor Grader**

**Day
3**

26 Oct 2021 : Festival on Excavator with Machine Control "LIVE DEMO"
For Dams, Canals, Road, Highway application

- 12:00~13:00 India Standard Time
- 13:30~14:30 Thailand Standard time
- 14:30~15:30 Malaysia Standard Time
- 15:30~16:30 South Korean Standard Time

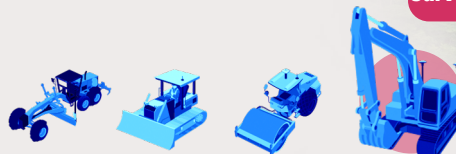

**LIVE DEMO
with Excavator**

**Day
4**

27 Oct 2021 : Summary & 3D Design data for your Daily Survey work "LIVE DEMO"
From your current way to 3D Machine Control. The first step is to leverage 3D Design data for your daily survey work

- 12:00~13:00 India Standard Time
- 13:30~14:30 Thailand Standard time
- 14:30~15:30 Malaysia Standard Time
- 15:30~16:30 South Korean Standard Time

**LIVE DEMO
Survey with Design Data**

* Competitors of Topcon/Sokkia like manufacturers and dealers of the said manufacturers will not be allowed to attend this event. Many thanks for your understanding.* The program is subject to change.
